1. This is just a short news note to the gentlemen mentioned in the line above. As [] and his party were leaving UTILITY's office, UTILITY asked me to stay behind for a moment because he wanted to show me something. What he wanted to show me was a picture, 12" x 12" in glorious technicolor, of the three gentlemen mentioned above, plus mine humble self, sitting on a couch in the playroom of @Dessau's Washington home. The picture was taken during the @Brock-@Moeller visit. It was a present to UTILITY from @Dessau. The picture hangs immediately behind UTILITY's right shoulder, on his wall back of his desk. For some reason he seems to be pleased as punch with this photo.

2. Certain cynics in []'s party suggested that the picture is taken down and exchanged for the [] or [] liaison pictures depending upon who was calling.

3. An ignoble thought!
